Dear []

Yesterday again I went through all my papers and I found various items.

I think that, for the time being, XX is all I have concerning my home country and myself.

- 1. Two letters from Juris Bernsons.
- 2. Two letters from Armins Lauris addressed to my wife. Armins is Mrs. Lauris' son. Mrs. Lauris is my wife's cousin and Karlis Abols' sister. Armins' father was apolice officer in Liepaja before the Russians came in 1940. In 1941 he and his wife, Armins' mother, were deported to Siberia. In spring 1942 Armins' father and other Latvian Army and Police officers were shot dead. Grandmother was Karlis' mother. The aunt is Mrs. Miezulis, a resident of Auce, who brought up Armins after his parents had been deported. Mrs. Miezulis is Mrs. Matisons' sister and also the sister of my mother-in-law who died in Siberia.

Armins' mother returned from Siberia and lives now in Auce.

Prease, return Armins' letters because my wife wants to keep these letters.

3. The first letter from E. Ližbovskis.

4. A newpaper excerpt from the Communist sports paper in Riga where _my name appeared. This happened in autumn 1956.
